PART 3: Learning or Service Outcomes

3.1 Summarize any key student learning or service outcomes (SLOs) since the last review.

- Prospective students, who have attended a general college presentation given by Outreach staff, will be able to describe the educational options available at community colleges as well as how community colleges fit into the K-16 educational system.
- Prospective students, who have attended a presentation and participated in a campus tour given by Outreach staff, will be able to identify student services, career programs and/or academic programs available at Mission College.
- Prospective students, who have attended a presentation or met one-on-one with an Outreach representative about the enrollment process, will understand community college admissions requirements and can demonstrate knowledge of the enrollment process.

Each of the above had an anticipated survey implementation date of Spring 2011.

3.2 Identify how you have used the assessment of student learning or service outcomes to update or make changes to the delivery of content/services, or the development of new goals.

Without the assistance of a Researcher, a draft assessment was created but not implemented. We will revise the implementation goal to Spring 2012.

Please insert a copy of your SLO Assessment and Report form.

Outreach

Student Learning Outcomes

By using the services of the Outreach Department, I will:

1. Learn about the programs offered at Mission College that support Basic Skills, CTE, and transfer.
2. Learn to apply for Admission using the CCCApply on-line application software.
3. Complete all required assessment tests in English writing, reading, & math and if English is my second language complete ESL assessment tests.
4. Apply for and complete my financial aid application observing all appropriate deadlines in support of paying my educational costs.
5. Learn to identify & access the financial resources necessary to support my educational objectives.
6. Demonstrate my ability to successfully complete the financial aid & scholarship applications and, if eligible, receive funding.
7. Matriculate at Mission College.

Separate Page:

Am I On Course

Get Started (0 Units): At this stage, I will:

1. Identify options available at Mission College
2. Apply for admission
3. Take an English/Reading & Math assessment (or an ESL assessment)
4. Apply for Financial Aid & Scholarships
5. Complete a New Student Orientation
6. Meet with a Mission College Counselor to develop an Educational Plan
7. Have my program of study as identified on my Education Plan updated with the Admissions & Records Office
8. Register for classes

The First 15 (0 to 15 Units*): At this stage, I will:

1. Understand my Rights & Responsibilities as a student
2. Identify the Student Support Services that support me
3. Keep current with my college accounts (MyWebServices & Angel)

4. Explore Campus Clubs/Activities
5. Explore areas of interest
6. Attend a Campus Event

Making Progress (16 to 30 Units*): At this stage, I will:

1. Identify an area of interest (major, certificate, area of emphasis, etc.)
2. Meet with Instructors during their office hours
3. Apply for Financial Aid & Scholarships for the next academic year

Moving Forward (31 to 45 Units*): At this stage, I will:

1. Identify career, transfer, or graduation options
2. Apply for transfer or seek professional internships
3. Maintain academic standards of achievement, honesty, and integrity
4. Update Educational Plan

Graduate & Transfer (45 to 60 Units*): At this stage, I will:

1. Complete transfer requirements
2. Tour transfer campuses – attend campus open houses
3. Apply for my degree or certificate.
4. Petition for graduation ceremony participation.
5. Apply for Financial Aid & Scholarships for transfer

Lifelong Learning (70 Units* and Beyond): At this stage, I will:

1. Demonstrate and apply skills for lifelong learning
2. Attend, organize, or volunteer for a **Mission College event**
3. Apply what I have learned at Mission College to **contribute** to society

Applies to degree applicable courses only*
