MISSION COLLEGE

**Our first priorities are students,
their learning, and their success.**

Mission Statement

**Mission College's first priorities are
students, their learning and their success.**

Our College serves the diverse educational, economic and cultural needs of the student population of Santa Clara, the Silicon Valley and our global community by providing associate degrees, transferable, career and basic skills courses and programs, as well as opportunities for life-long learning.

Through participatory governance in support of our first priorities, Mission College systematically commits to evaluating and improving educational programs, technological resources and student support services by making informed decisions, allocating resources, and establishing institutional policies and procedures.
