**Subject:** HOLD THE DATES! Budget Reduction Forums

Dear Mission Faculty and Staff:

On Wednesday, 10/17, GAP met and discussed how to begin getting information out about the next round of budget reductions. In that discussion it was agreed that the All-College Forums used last year was effective and that we should use that format again this year.

There will be three All-College Forums and one student forum conducted by the College President and Campus Leadership. I wanted us to have these dates and times as soon as possible in order for you to arrange to attend. They are:

Wednesday, November 7 at 4-5 pm	Sorenson Hall
Thursday, November 15 at 4-5 pm	Sorenson Hall
Friday, November 16 at 12 noon – 1 pm	Sorenson Hall

Student Forum on Wednesday, November 14-2:15 pm	ASG
---	-----

Senate Meeting, Campus Center Rm 217

Additional information regarding the 2013-14 budget will be provided through a web link that will be forthcoming shortly.

In this very difficult time, we want to do everything possible to provide opportunities for people to give their best ideas and recommendations.
