Become a Booster!

If you love athletic competition and appreciate the dedication and hard work student athletes put into their game, both on the field and in the classroom, you should join our boosters' club. Dues are only \$25 per person per year, and you'll receive a beautiful boosters' club tee-shirt as a thank-you gift!

MISSION COLLEGE Athletic Boosters' Club

Mission College Athletics is a member of the Coast Conference. The athletic teams compete in men's and women's soccer, men's and women's tennis, women's basketball, badminton, softball and men's baseball. Mission athletic teams have won numerous conference, regional and state tournaments. We have a talented and dedicated coaching staff, some of whom have received conference and state Coach of the Year awards and California Community College Distinguished Service awards. While aiming for excellence in competition on the courts or fields, we strive to instill that same competitive spirit in our student-athletes' classroom endeavors.

The Athletic Program assists student-athletes in achieving their academic and athletic goals. Athletes work with the athletic counselor to develop an educational plan whereby their work is monitored throughout the semester with progress reports. Coaches also assist students who want to transfer and compete at the university level.

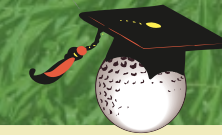

Athletics offers students the opportunity to improve their goal setting, determination, perseverance, resiliency, time management, teamwork and discipline skills.

The Mission College Athletic Boosters' Club raises money to support our teams. 100 percent of the proceeds from the Tees to Degrees Golf Tournament will be used to pay for equipment, supplies, facility improvements and team travel.
