

**Connecting Course/Service SLO's to Institutional Learning Outcomes (ILO)**

**Division:** Student Services  
**Department:** AANAPISI - Grants  
**Course/Service Name:** AANAPISI (F) Targeted Strategies to Increase AAPI Success  
**Person Completing Form:** Ken Songco, Project Director  
**Extension:** 5037

Course/Service SLO	ILO (Indicate the ILO by inputting A, B or C in the boxes below)
Every semester during the five year project, AAPI students in sections of mathematics courses piloting new methods will have increased average success rates over the 2009 baselines, minimally meeting the individual course targets.	A, B <i>Grant Project Objectives 1&amp;2</i>
By September 2016, there will be a minimum 10% relative improvement in AAPI success rates (A, B, C, or CR) on the 22 high risk barrier courses above the 2008 baselines.	A, B, C <i>Grant Project Objective 3</i>
By 2016, there will be a minimum of 130 AAPI student transfers documented compared to the 2009 CPEC total baseline of 97 students; there will at least by 51 AAPI students documented as transferring in STEM fields, compared to 2009 baseline of 34 AAPI STEM transfer students.	A, B, C <i>Grant Project Objective 4</i>
By June 2016, there will be a 20% increase over the 2009 baseline in the number of AAPI students earning an associate's degree.	A, B, C <i>Grant Project Objective 5</i>

<b>Institutional Learning Outcomes (ILO)</b>
<b>A. Communication and Information Competency:</b> The student will demonstrate the ability to acquire, evaluate, send and receive information in a variety of modes including written, spoken, scientific, and mathematical language.
<b>B. Critical Thinking:</b> The student will demonstrate an understanding of the methods by which information may be investigated, analyzed, synthesized, and utilized. The student will be able to apply this knowledge to creatively solve problems and develop new theories.
<b>C. Personal Development:</b> Students will respect and work with diverse people including those with different cultural and linguistic backgrounds and different abilities. Students will demonstrate an understanding of ethical issues and the development of personal values that will enhance their capacity for working with others.
