Ability To Benefit Referral Form

Federal Government regulations require that students without a high school diploma, G.E.D., or equivalent exam pass specific tests before receiving federal college financial aid.

Your Financial Aid Data Sheet, or information you have given us over the counter, indicates that you do not have a High School Diploma or its equivalent (G.E.D., passed high school equivalency exam, have AA/AS or BA/BS). If this is not correct, submit a copy of the appropriate document to the Financial Aid Office. If you DO NOT have either one, you must take this letter to the Testing Center, located in Room E1-101. The Testing Center will tell you if any testing is needed.

If you have any questions or need clarification, please contact our Financial Aid Office.
